Dear Justice Holmes

I refer to your letter of 15 April 2024 in relation to the independent review of the Crime and Corruption Commission's (CCC) ability to report publicly and make statements on the performance of its corruption functions, and the Queensland Police Service (QPS) submission.

The QPS has since reviewed the Terms of Reference more broadly. The Terms of Reference, particularly those relating to potential legislative reform, may require the QPS to comment on matters of Government policy. Although the QPS is willing to engage with respect to technical matters relevant to public reviews and enquiries, it does not normally comment on matters relating to Government policy.

This was reflected in the previous response the QPS provided in relation to Reference 6(d) which was observational in nature only. The QPS has nothing further to add at this time.

Thank you again for providing the QPS with an opportunity to provide comment in relation to the Review.

The contact officer for this matter is Michael Shears, Director, Strategic Policy and Legislation Branch, Policy and Performance Division, who can be contacted on [REDACTED]

Yours sincerely

  
STEVE GOLLSCHESKI APM
